

DOUBLE-SIDED TAPE

DOUBLE-SIDED TAPE

Available in three convenient sizes, performance-driven PLIOGRIP® by Valvoline acrylic double-sided tape provides incredible clarity and quality. PLIOGRIP by Valvoline tape is water clear, and therefore not visible to the naked eye. The tape won't discolor, and because it has a solid core, it won't trap dust and moisture like other foam tapes. Sold in 20-foot, job-size rolls, you'll reduce waste and increase efficiency in your shop with PLIOGRIP by Valvoline tape.

TAPE

- Water clear
- Strong, yet flexible
- Solid - no foam cores
- UV and moisture resistant
- Convenient, job-size rolls
- Three sizes - try 1/4" for small moldings and emblems

THE SYSTEM

Our Double-Sided Tape is part of a family of versatile, fast-acting, smooth-finishing PLIOGRIP by Valvoline products. Specifically engineered for the body shop, PLIOGRIP by Valvoline products provide better workability, reduced repair times and superior structural strength.

Our unique chemistry provides unmatched performance in both bonding and repair. When it comes to returning a car to its pre-accident condition, PLIOGRIP by Valvoline is a complete body repair system with a demonstrated track record.

PLIOGRIP by Valvoline. Easier to use. Faster to cure. Proven to perform.
